Age: 22 | Male

EDUCATION

Xiang Tan University

Sep 2015 - Jun 2019

Information and Computing Sciences

- GPA: 3.411 / 4.0 (Top 2.7%) GRE: 324+3.0 CET6: 540
- Relevant Coursework: Mathematical Analysis (88), Advanced Linear Algebra (84), Probability theory and statistics (94), Discrete Mathematics (97), Numerical Analysis (98), Data Structures and Algorithms (86), Functional Analysis (94)

RESEARCH AND COMPETITION EXPERIENCE

National Mathematical Modeling Contest

Sep 2017 -

- Solved a pricing policy problem and won first prize in Hunan province.

Xiangtan University Simulation Competition

Mar 2018 -

- Established a campus navigation system for freshmen using MATLAB and won first prize.

Task Pricing Game Based on Principal-agent Theory

May 2018 -

Paper has submitted to China Simulation Conference 2018.

HONORS & AWARDS

- The First Prize Scholarship Scholarship (2015-2016)
- The Second Prize Scholarship Scholarship (2016-2017)
- Merit Student (2016-2017)
- Excellent Student Cadre (2015-2016)
- Excellent League Member (2015-2016)
- Best Debater (Twice)

MISCELLANEOUS

- **Skills:** MatLab(Proficient) , Word (Proficient), PowerPoint (Proficient), Python (Basic),C++(Basic)
- **Certifications:** GRE(324+3.0), Neural Networks and Deep Learning (Coursera Certificate), Improving Deep Neural Networks(Coursera Certificate), Structuring Machine Learning Projects(Coursera Certificate)
- **Languages:** English (Fluent), Chinese (Native)
- **Interests:** Work out, Movie

STUDENTS ACTIVITIES

Guidance Counselor

Sep 2017 - Sep 2018

- Help freshmen solve problems in study and life.

Class President

Sep 2015 - Sep 2017

- In charge of our class working with other class committee members won Excellent Class Award(2016)

Member of Technique Department of Sky31

Sep 2015 - Sep 2016

- Sky31 is the largest student organization in XiangTan University. Website: <https://www.sky31.com>
- Learned HTML&CSS and participated website construction of sky31
